Emmerson Buys Carnarvon Lumber

Mr. Bill Emmerson of Emmerson Lumber Ltd., Haliburton, announced this week, that he has purchased the Carnarvon Lumber Co., in Carnarvon from Mr. Ross Harrison.

Mr. Bill Emmerson

This Company was established twenty-one years ago by Mr. Maurice Windsor, of Carnarvon. At that time it was run as a Planing mill. In 1951 Mr. Harrison joined partnership and the Company went into the retail end of the business. However, it was still opperated as a saw mill and logging businss up till five years ago. In 1963 Mr. Harrison purchased the business from Mr. Windsor, and has run it himself till the present time.

Mr. Bill Emmerson is no stranger to the industry, for he has been in business for himself since 1959, when he purchased the Haliburton lumber company from W. O. Bailey and Son. Before that time he was a Director of Bold Lumber Co. in Toronto for many years. At the present time he still serves on many committees, of different Ontario Lumber Dealer Associations.

He has always been a tremendous booster of the county, serving as both Reeve and councilor of Dysart Township. He is immediate past president of the Haliburton Rotary Club.

Mr. Emmerson has made many great strides of progress in this business, opening in 1962 one of the finest showrooms in the county. He advanced into the equipment rental business, and has since gone into Cash and Carry, being the only dealer with such a set-up.

In announcing the purchase, Mr. Emmerson said, "by owning both Lumber Companies, perhaps we will be able to handle a larger variety of materials and accessories, to satisfy each and everyone of our customers.

FORMER M.P.'s WIFE HURT IN CAR ACCIDENT

Mrs. C. W. Hodgson of Haliburton sustained a broken rib when she was involved in an accident on Sunday, October 23, about 10:45. She was a passenger in a car driven by her son, Glen Hodgson M.P.P. of Haliburton.

THURSDAY SMILE

Man does not live by bread alone; many get by on a crust.

Pictured above is Mr. Norm Craig and Mr. John Hill of the Chamber, accepting cheque for $5,000 from Regional Supervisor Mr. Barry Dobson and Mr. Don Goodwin District Representative, of the Dept. of Tourism and Information.

CHAMBER OF COMMERCE RECEIVES GRANT

Last Thursday evening, Mr. Norm Craig secretary-manager and Mr. John Hill President of the Haliburton Highlands Chamber of Commerce accepted a cheque for $5,000. on behalf of the Chamber from Mr. Don Goodwin and Mr. Barry Dobson of the Department of Tourism and Information.

Mr. Dobson is the Regional Supervisor and Mr. Goodwin is the District Representative from Huntsville.

This is an annual matching grant from the Department and is used for the promotion of tourism in the county of Haliburton.

The presentation took place at the Haliburton High School with the executive members of the Chamber present.

HALLOWEEN TREAT FOR EVERYONE SPONSORED BY ROTARY HERE

On Monday, October 31st., the Rotary Club of Minden are having a special treat for everyone. There will be a free movie at the Beaver Theatre here in Minden, from 7 to 9 o'clock. Candies will be given out after the show. Everyone is welcome.

HALIBURTON BANK HOLDUP TORONTO MAN IS REMANDED

George Robert Guy, aged 30, of Toronto, was remanded in Lindsay Police Court Monday for one week, charged with the armed robbery of the Bank of Montreal in Haliburton.

The accused was arrested at gun point in a room of a restaurant - hotel two doors from the bank moments after the holdup.

Ontario Provincial Police reported that all of the $2,000 taken was recovered and a weapon was found in the room where the suspect was taken into custody.

In Friday's holdup, a man wearing what later proved to be a false beard, pushed a note in front of teller Ann Schnell, 18, demanding the money. Miss Schell, with a pistol held against the wicket, scooped up an estimated $2,000 which was taken by the gunman who placed it in a bag and walked out of the building.

Witnesses told police they saw a man fitting the description of the gunman enter the nearby restaurant.

This was the second holdup of the Haliburton branch of the Bank of Montreal in the past four years.

with

FENWICK FINCH

If you watch the "idiot box" and I guess most of us do — you've been exposed to this character that sits in a roomful of "instant gifts" and smokes his cigarette, vowing the fact that, "he smokes them because he likes'em." Now, you can meet one of the gift winners in person — Mrs. Garnet Lazier came up with a corning fry pan. Incidentially she likes the gift as well as the cigarette.

* * * *

In the mail during the past week a card from friend Ken McMillan of the Ontario Hydro — shows the "fabulous strip" Los Angeles, California. Ken sez it reminds him of his trips through Minden.

Another nice card from the "Sands" Las Vegas, Nevada. The card was from "the Flewells" — they had just finished a 483 mile trip across the desert and were suffering out the cooler, (72 degree) weather. He also wanted to be remembered to "Brother Ernie".

* * * *

We had quite a discussion going the other day at the "coffee club". When I tell you the subject you'll appreciate why the members wanted the whole deal to be "sub rosa" and that's the way it'll be.

Someone started the hassle with the question, "what do you think of Free Love?" I replied, "even at my age, I'm all for it — a dollar saved, is a dollar earned you know."

"That's not what I had in mind," came the interruption, "here read this article out of the Toronto Star."

We passed the article around and it had to do with a church report which will be considered at the general meeting of the British Council of Churches. It deals with "Casual sex" The basis of the whole report was this, "the report refuses to condemn adultery and says casual sex can be "trivially pleasurable, or midly therapeutic." (none of us at the table had ever thought of it in that context.)

There was quite a bit of discussion one way or another. Since this report made up for the British Council of Churches we felt maybe my fellow columnist, "Rev. Jim" should be the one to straighten us out — after all we had not read the report being mostly Frank Harris and Miller and Joyce readers.

"How about it?" "would you care to enlighten us?"

* * * *

Noticed in the Telegram over the week-end that a Dr. Kirk is resigning from his school board in protest to the expropriation of property for a new school and the method in which it is being done.

A few words to Dr. Kirk — "forget it, Doctor, you haven't a chance — unless you are connected with a large Fraternal Organization that can stand them off.

Drive up to Fenelon Falls and see how the "Mystic Knights of the Deep Sea" have stood off the Area School. The new school has expropriated every thing else in sight but the stone monstrosity stands in the middle of the new works. It doesn't add anything to the looks of the property.

Th County taxpayers can look forward to the future (near?) when this building is bought and the excessive removal charges will have to be met. But, it's only taxpayer's money — they'll be like every community. They will grumble — but THEY'LL PAY.

* * * *

Until next week here's a bit of something to think about. "One of the best ways for a wife to make a husband stop lying — don't ask questions.

Fenwick

MARK MCKAY - CONTRACTOR
AT 73, HE SETS AN AMAZING PACE

Mr. Mark McKay is just a nudge off 73 years of age, and sets an amazing pace, for he can be found on the job every day of the week, figuring, planning, building — and looking for more work. Mark will take on just about any job one can throw at him, and he manages to keep his eight to ten men busy at all times, somtimes doing several jobs at once.

The younger generation can take a long, hard look at this man, and learn plenty. Work is his life, and retirement doesn't figure into his plans, he gets complete satisfaction in taking each day as it comes.

Mark was born and raised in Kinmount, and moved here to Minden in 1919. He worked here with D. A. Rodgers in the General Store, for twenty-five years. At this point of his life he liked the challenge of facing another career, so he turned to building and construction. He spent many years in the construction business, working out of Camp Borden, and much of his skilled hand work can be found in Oshawa, where he worked in constructing the large plant of General Motors.

In 1955 Mark turned his hand to a business for himself, and has done extremely well. The buildings he built around this area are too numerous to mention, however when one looks at the Municipal garage and the Minden Bowling Alley, he is seeing some of Mark McKay's efforts. He built some thirty-five cottages for one gentleman, who must have thought a great deal of Mark's workmanship.

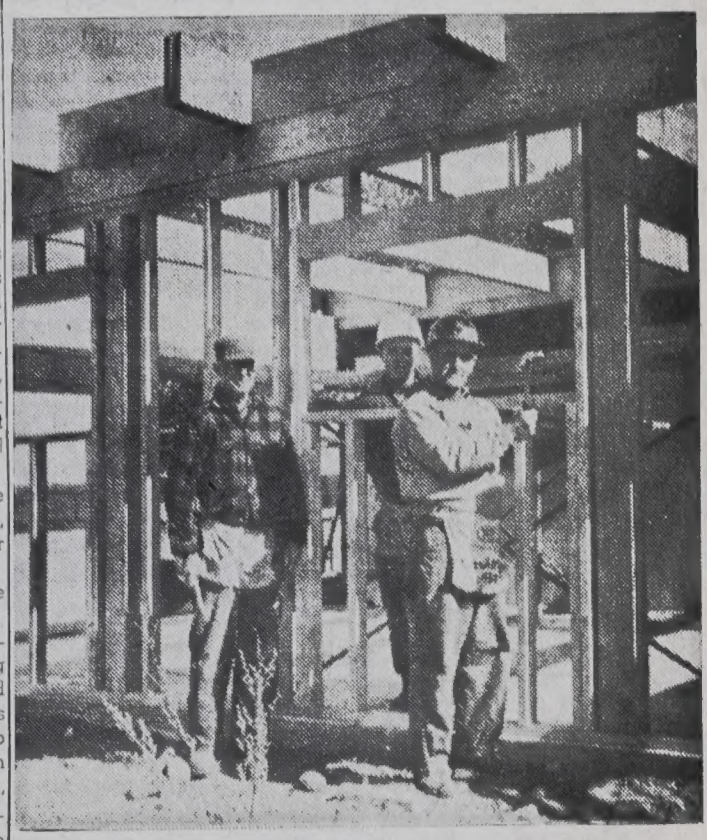
Men who have been working with him over these past years are, Aubery Horseley, who has been with him since he started into business, Cecil Milligan, Ray Hughes, Jim Dugan, Lanny Hughes, Ern Hewitt, Bazel Stevenson, Cecil Burk, these are men experienced in the many different phases of the construction and building trades.

Mark is a past Master of the Aradian Lodge here in Minden, serving his term back in the year 1929.

When one asks Mark what he likes to do in his lejsure hours he gets a very quick reply, "Hunting and fishing". An interesting note, is that he has never missed a hunt since 1924, and says his prizes on these hunts are too numerous in number to mention

With his attitude towards life, and his willingness for a fullfillment each day, Mark will be building for many more years to come.

One can always distinguish Mark McKay, for he is seldom seen without the hard hat.



Pictured above from L to R is Ern Hewitt, Bazel Stevenson and Cecil Burk, on the job, on the Progress addition.

ELECTION CHATTER

With only one more month before nominations and election, here in this Municipality, each and everyone will have to give a little thought in this direction. Will we go with the present council? Will we need a change? Or maybe a little strength, along the line? These are always the questions one asks at this time of year.

To give you a brief, on some of the projects, and problems, this council has had to contend with, we take a quick look about us, and go back over two years.

Through the efforts of this council we see a new sidewalk on the main street, with a proposed plan to finish the opposite side next year. We see a paved Horseshoe Lake road, and a rebuilt portion on the Gelert Road. These are certainly big improvements. A new ambulance was purchased, which was badly needed. The roads leading to the new Senior Citizen's Home have been improved, and will be completed in the near future. The addition of our public school is certainly a step forward. The Council played a big part in the road project from Carnarvon to Vankoughnet, which was a big effort in it self. Several extensions to the water system have been added, and the system is now on a paying basis. The council has had many disputes to settle with cottage owners and the roads running to their properties, this has been a never ending problem with them, over their term

Now these are just a few of the many items of business which this council has accomplished and dealt with this term. What is in store for next term? From were we sit it looks like the demands are getting greater, and we feel sure those running to sit in the Municipal chambers will have to take a stand on some of the issues, which will face them.

Sewers, probably top the list, new street lights will run a close sceond, and of course we have heard from a cross section of the town on a new arena — a recreation centre, which will include a ball park and other such features. We think its time an energetic council did something about our river water level. The list goes on and on.

These type of questions make a politician shutter at the thought of the expense. We can only suggest they sharpen their pencils, and get down to some serious thought in keeping this town at a par, or a notch above par, with other municipalities.

Glen Hodgson M.P.P., said recently, when this new road links up with the Muskokas we will have to compete. He is so right, and the place to start is right here in our own back yard. We can't afford, just to keep up, we have to go ahead, if we don't we might as well throw in the sponge now.

Next week we will give you a run down on possible candidates.

Russell Harrison is pictured above with his prize trophy, a very large Moose, which he bagged recently on a hunt. Many of the town people gather around to see the big animal as Russell takes his prize home.

HOUSEWIFE CRIES HELP!

Recently a Lands and Forest Officer received a cry of "help" from an irate house wife in the hamlet of Essonville — and immediately passed the cry on the Gooderham office.

She apparently had a moose on her front lawn that wouldn't go away no matter how loud she screamed, reports Conservation Officer J. K. Sinclair.

The moose was a female calf weighing about 250 pounds, and was in a somewhat bewildered condition. With the aid of a local farmer, a halter was placed on the moose to prevent her from injuring herself on the many fences of the area.

Conservation officers led the moose to the back of a van, but she refused to go in. The animal was then hog-tied, loaded and removed to the confines and safety of the Peterborough Crown Game Preserve, where she will be free to live a happy and normal life.

NEW BUS LAW NEEDS EMPHASIZING

Although the new law, concerning stopping for school buses, has been in effect for over a month, reports coming in to the Ontario Department of Transport indicate that the new law needs emphasizing. There is still confusion in the minds of some motorists.

The new rules are really not different from the old law in that for eight years vehicles following were required to stop and vehicles approaching were required to slow down when a school bus was stopped with flashing lights.

The only change in the law is that approaching evhicles must now stop too — with one exception:

Approaching vehicles are not required to stop where traffic travelling in opposite directions is separated by a physical barrier such as a paved curb, a guard rail or an unpaved median.

The school bus stopping law does not apply where the speed limit is 35 m.p.h. or less.

WITH BOB BEENEY

A Board of Directors meeting was held by the Minden Minor Hockey Association on Tuesday evening to pick coaches for the 1966-67 season, and to decide when to start practice sessions at the Haliburton Arena.

It was decided by the directors to practice at Haliburton for the months of november and December, since ice isn't usually available here until late December or early January.

This year all teams will have pre-season practices in the Haliburton Arena. Last year the Mites didn't take part in this program.

Monday and Friday nights are trying to be attained by the Association for practices and if this time can be purchased the coaches will inform the players of the correct hour, in these two nights that each team will practice.

It is expected that the Squirts and Pee Wees will practice together and the Bantams, Midgets and Juveniles will start training together. This is only to take place until sessions start in the Minden Arena. The Midgets will practice alone.

The coaches for this season were chosen from the Board of Directors that were present at the meeting and they are: Mites — Harry Cowen; Novice — Bob Beeney; Pee Wees — Soup Campbell; Bantams — Not Chosen; Midgets and Juveniles — Gene Whitney.

The coaches for the Bantams has not officialy been chosen but it is hoped that Alan Rogers will again handle the team as he did last year. By the end of last season Alan had the Bantams playing good hockey and was certainly passing good hockey sense from himself to the players.

The coaches must acquire the managers for their teams.

An effort is being made to have the teams (except the Mites) entered in the Kawartha league and Jack Philips of Kinmount is going to contact the Minden Minor Hockey Association whenever a meeting is to take place among the Kawartha league executive.

A letter is also going to be sent to the O.M.H.A. requesting that the teams be entered in a league.

Last year the teams only played exhibition games since the teams were not accepted into any league.

All teams will be entered in the O.M.H.A. playdowns excluding the Mites. It was decided at the meeting on Tuesday that all referees to handle agmes for the Minden Minor Hockey Association must be approved by the Board of Directors.

Registration night last Thursday was well attended with seventy youngsters registing, although it is expected that the total will be stretched over one hundred within the next two weeks.

$5 MILLION DEVELOPMENT FOR HALIBURTON

Found Reality Ltd. and Haliburton Lakeshore Ltd., have announced the sale of the bulk of the holdings of Haliburton Lakeshore Ltd. in Dudley Township in Haliburton County. The sale was to Hasley Developments Ltd. of Brampton, and comprises approximately 5400 acres with about 13 miles of lakeshore frontage, on Long, Mink and Miskwabi Lakes, six miles east of Haliburton village off Highway 121.

Mr. E. Neil Gregory, President of Haliburton Ltd. expressed great confidence in the future of this property and in the future of the Haliburton area in general. Mr. Gregory said that it had been his intention to develop this property himself, but due to other business pressures, would not be able to do so in the near future.

Mr. E. A. Mitchell, President of Hasley Developments Ltd. expressed similar confidence in Haliburton's future. He said, "We are embarking on one of the largest resort property developments in Ontario, because we feel Haliburton has hte greatest future of any resort area in Canada. We have a ten year plan for a $5,000,000 development, which will comprise about 600 vacation homes, along with park areas and a landing strip for light aircraft." Mr. Mitchell is president of several large corporations including his own firm of E.A. Mitchell Ltd., Realtor. In addition, Mr. Mitchell is serving as President of the Ontario As- of Real Estate Boards.

Mr. Ken Found of Found Realty Ltd. in Lindsay, expressed a great deal of satisfaction on having the opportunity to participate in the engotiations which obtained this development. He said, "I believe this development will be of immeasurable economic benefit to Haliburton, and is a major step forward in the development of the County. I know that it will be welcomed by the citizens and municipal officials of the area."

DAVIDSON OF HALIBURTON TAKES SENIOR HONORS

John Davidson of Haliburton won the senior boys' track and field championship at the Haliburton High School meet recently at north Hastings High school.

Lloyd Holbrook of Bancroft took intermediate honours, as Dwight Kelusky and Al Cameron tied for the junior lead, both being from Bancroft.

Haliburton girls got 127 points while Bancroft girls placed second with 116 points.

Bancroft boys scored 167 points to Haliburton's 127 points.

ONTARIO'S FARMING FUTURE

The phenomenal increase in food production by Canadian farmers during the past few years of reduced farm labor and shrinking farmlands will be one of the subjects for discussion at the Conference on Agriculture in Vinelan, this week.

Everett Biggs, Deputy Minister of the Ontario Department of Agriculture and Food, reported that about tweny-five years ago one farm worker produced only enough to feed ten people, whereas in 1965 he produced enough to feed thirty-two people.

"It is htis evidence of increased efficiency on the part of our farmers," he said, "which with continuing guidance through research, better management, and mechanization, will ensure Ontario a healthy and prosperous agriculture for the future.

The Ontario Department of Agriculture and Food is pleased to have been a part of this phenomenal development. Our Conference on Agriculture will use the past as a guide to the future."

HI NEWS

with Dianne Earle

The Commencement Exercises held last Saturday evening in the school auditorium left a permanent impression upon all who attended. Mr. Hodgson's advice that everyone attend the exercises, was well heeded, for an audience of 550 or more filled both the old gym and the new one.

Twenty-three students received Secondary School Honour Graduation Diplomas; twenty - nine students received Secondary School Graduation Diplomas for Four-year Business and Commerce; ten students received school Graduation Diplomas for four-year Science, Technology and Trades, and forty-three students received Secondary Graduation Diplomas for Five Year Arts and Science.

Linda Sibley, who attained an 82 per cent average, presented a very impressive valedictory address, and guest speaker, Dr. J. R. H. Morgan of the University of Toronto gave a meaningful account of goals and their purposes. The school's new Glee Club, led by Mr. Bill Gliddon, entertained excellently with a selection of four well - known pieces. The presentations of scholarships and bursaries, Field Day awards, Driver Education Certificates, and School Letters complemented the evening. After the excerises, lunch was served in the cafeteria and a dance was held in the auditorium — thus, the Commencement Exercises of H.H.S.S. for the 1965 - 66 Graduates.

It was a big evening, one of victory and accomplishments for those who had worked hard during the past 4 or 5 years, with this goal in mind. But should Commencement be so tiresome as it is? Should a piece of paper and a handshake mean as much as they do? Commencement is the one event in their entire school lives when students are allowed to feel justly and rightfully proud of their achievements, and deserving of the praise given them. So, on this, their night of triumph, is it enough to lecture them for two hours, hand them their diplomas, and applaud them for their accomplishments? Twenty years from now, will they be lecturing, presenting diplomas, and applauding for new graduates? Is this why they spent thirteen years in school?

What is Commencement? As a student of H. H. S. S. who plans to graduate in two years, I ask these questions of you who have already graduated. I want my Commencement to be for me — an evening of congratulations? No, a lifetime of encouragement and enlightement. A lifetime — years and years and years of achievement and success because I tried to win, and at the risk of total failure, I won. A lifetime — each day devoted to the opening of new doors — each moment spent to some purpose, toward some end, because — someone cared enough to interest me in the pursuit of knowledge — some one started the school system — someone wrote a book — someone experimented — someone concluded — someone philosophied — someone sought the truth and found it. These were the people who truly won. These were the people who didn't need fancy speeches and fancy diplomas to prove their commencement into the challenge of life. These were the graduates, not of highschool, but of the trails of life. And this is Commencement. Congratulations to you who deserve them — but, who qualifies? Measure your achievements. Will you win?

double your money with Canada Savings Bonds Centennial Series

Centennial Series Canada Savings Bonds offer you their highest interest yield ever—5.48% a year when held to maturity.

The new Bonds pay annual interest at the rate of 5% for each of the first four years; 5½% for each of the next three years; 5¾% for the following year and 6% for each of the last five years—a total of $72.25 in interest on every $100 Bond.

And for the first time, there is a special compound interest option. To take full advantage of it, leave all the annual interest uncollected until Nov. 1, 1979, and you will get interest on your interest, amounting to $27.75 extra on every $100 Bond.

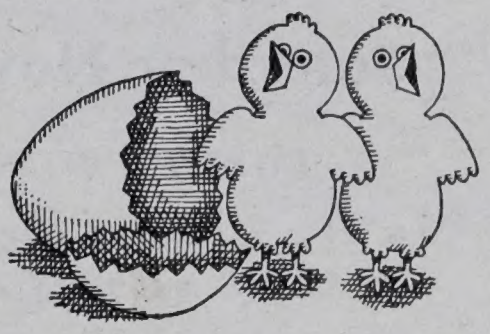
It all adds up to total interest of $100 on every $100 Bond. It's a safe, sure way to save. DOUBLE YOUR MONEY with Canada Savings Bonds Centennial Series.

This Series retains all the traditional features which make Canada Savings Bonds Canada's most favoured investment.

They are still easy to buy for cash or on instalments where you work, bank or invest. You may buy as little as $50 or as much as $10,000. Every Canadian resident may buy up to this limit. So can estates.

They are still simple to cash, anytime, at any bank in Canada for their full face value plus earned interest. Just fill out the redemption form on the Bond, present it to your bank and you'll get your money right away.

And now they're better than ever to keep with the highest interest yield ever and interest on interest. DOUBLE YOUR MONEY with Canada Savings Bonds Centennial Series.



HALIBURTON TUBERCULOSIS AND HEALTH ASSOCIATION HELD OCTOBER MEETING

The Haliburton Tuberculosis and Health Association held their October meeting in the Haliburton United Church, Monday October 17th with many members present.

Mrs. R. Schofield, President, opened the meeting assisted by Mrs. Kenneth Banton, Secretary whom read the minutes of the previous meeting along with correspondence on hand.

Mrs. Pat Waddell, Christmas Seal Campaign Chairman excitingly displayed the colourful Campaign literature, posters, letters, etc. with unanimous approval of all members present. Various members taking a portion of literature for distribution in their particular area in preperation of the forth coming Christmas Seal Campaign in order to fight Tuberculosis and Respiratory Diseases — a duty we owe to those less fortunate.

Madam President, gleefully announced the association had been generously offered the assistance of members of the Canadian Girls In Training in folding etc. of Campaign literature.

We heartely thank Mr. Archie Stouffer, Mrs. Gene Whitney, C.G.I.T. Captain — and of course, "The Volunteer Girls" whom some of the members met last Thursday evening at the Minden United Church Hall.

Mr. Rea Stinson, case finding Chairman, reported the Association had made arrangements for an examination Clinic at the Forestry School near Dorset schedule for October 28th and 31st.

As previously arranged, November 17th, Curling Rink, Minden time 1:30 to 3:30 p.m. — December 15th, Canadian Legion Hall, Haliburton, hours 1:30 to 3:30 p.m.

Also for 1967, a complete schedule will be drafted and published soon in both local papers, stating locality, dates, hours for Chest examining Clinic.

May we suggest, you take heed when this schedule si published, cut it out in order you will know when and where to go for your Tuberculosis Chest Examination.

ATKINS — MEDLEY

The marriage of Glenda Rae Medley to John Douglas Atkins was solemnized with an evening candlelight and communion service at Zion United Church, Carnarvon, October the first, by Rev. James Cargo.

The bride, given in marriage by her father, chose a floor-length gown of pure silk, white peau de soie with empire bodice and sheath skirt with the Cathedral train falling from the shoulder. A floral pillbox head dress carried a Juliet cascade of white Carnations and stephanotis centred with white gardenias.

Her matron of honour, Mrs. Keith Doy of Belleville wore a floor length empire gown of forest green velvet. The bridesmaids were Miss McCartney, Toronto, and Miss Judy Harrison, Carnarvon, wearing floor-length empire gowns of forest green velvet, bodice and green peau de soie sheath skirt. All attendants carried Victorian Colonial bouquets of white Carnations and yellow sweetheart roses with long yellow velvet streamers, and matching velvet bow headpieces.

Ronald Danielsen, Burlington was the best man. Ushers were Larry Medley, Carnarvon and John Clark, Waterdown.

Wedding music was played by Keith Medley, Barrie, which included Purcell's Trumphet Tune, Solo's were sung by Miss Cairine McCarey, Toronto, the Wedding Hymn and O Perfect Love; Mr Herbert Wilson of McKeesport Pennsylvania, The Lord's Prayer.

A reception was held at the Brides home. The bride's Mother received wearing a burgundy metallic crepe sheath, matching velvet hat, and a corsage of white gardenias and stephanates.

The groom's mother assisted wearing a pale blue silk crepe dress with matching had and jacket, and a corsage of white gardenias and stephanotis.

For her going away suit the bride chose green cut-velvet, with matching accessories and a corsage of gardenias and stephanatis.

The visitors thoroughly enjoyed the autumn splendour of the Haliburton Highlands.

The happy couple will reside in Burlington.

YOUR RED CROSS SERVES YOU AND SERVES FOR YOU

TWO NEW WELDWOOD PANELS
SPECIAL ONLY $9.98

per 4' x 8' x ¼" Panel* SUGGESTED RETAIL
After December 31 the price is $13.50

Add extra beauty and value to your home with new, richly prefinished Weldwood Amber Elm or Fireside Elm – the latest in Weldwood real wood paneling.

Buy before December 31, and you can panel a 12' x 12' room with an 8' high ceiling for as little as $120. A saving of $42.

Each panel goes up easily, quickly and covers a full 32 square feet. No further finishing needed. And, like all Weldwood panels, each is guaranteed for the life of your home.

Choose Amber Elm if you prefer natural wood beauty in a lighter tone. Or Fireside Elm for its deep, rich traditional charm. See them on display exclusively **at our showroom.**

And while there, enter Weldwood's big Free Living Contest. Nothing to buy. Enter as often as you like. Simply complete the entry form and deposit it in the entry box.

(4' x 7' panels, special price $8.75 each, regular $11.80.)

Win a year's free living

GRAND PRIZE: Complete free living expenses for a full year, to a maximum of $7,500.

ENTRY FORM: Please enter my name in the Weldwood Free Living Contest. I understand that if my name is drawn, I will be required to answer skill-testing questions to win my prize.
